How does the Affiliate program work?

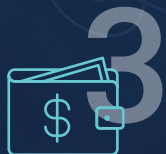

You Attract Potential Clients

Register as an Affiliate of Viptrade, choose any type of marketing material in your Members Area and post it on any of your chosen online medium.

Clients Start Trading

The Clients brought in through your link start trading with a real account right away. We do our best to make trading on Viptrade platforms interesting and engaging for both professionals and less experienced traders.

Receive your Commission

We automatically transfer your affiliate commission (up to 50% of the Company's revenue) for all closed trades for the previous day to your partner account on a daily basis. You can withdraw the received funds using over 20 payment systems.

Example of the partner commission calculation

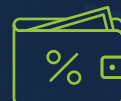

You attracted
50 clients

Their total trading volume
is 500 lots in EURUSD

$500 * 13 = 6,500 \text{ USD}$

$(6,500 * 0.5) * 1.1 = 3,575 \text{ USD}$

Boost your profit by 1.8x times

with the help of client Affiliate accounts with increased markup/commission

Affiliate-accounts can be of the following types: Pro-Affiliate and ECN-Pro Affiliate. Accounts of this type are almost the same as their analogues, Pro-Standard и ECN-Pro, except for the increased spread (Pro-Affiliate) and commissions (ECN-Pro Affiliate), as well as some other parameters. These types of accounts were introduced in response to demand from the partners, who provide their clients with different additional services (Expert Advisors or trading signals).
